

Dear Sam,

A girl in my class makes fun of me for wearing glasses. Now I don't like going to school. I told my mom I was sick so I could stay home. What should I do?

Philip

COUNSELOR: Sam

Dear Philip,

I have glasses, too! Sometimes people bully other people because they are different. Tell your mom why you pretended to be sick. Your mom will have some good tips for how to deal with the bully.

Sam
