

LITTLE RED HEN

The nationwide movement for high standards has not only determined what students should learn, but also has mandated that students demonstrate what they know. A musical production provides the unique opportunity for students to show what they know. Teachers who choose LITTLE RED HEN will find it is a standards-based program addressing Science, Music, and Theater Standards. LITTLE RED HEN also provide opportunities for students to demonstrate their multiple intelligences. The cooperation required to prepare, produce, and perform LITTLE RED HEN clearly address Applied Learning standards.

National Science Education Standards

Content Standard C: Life Science

Characteristics of Organisms

- Organisms have basic needs. For example, animals need air, water, and food; plants require air, water, nutrients, and light.

Life Cycles of Organisms

- Plants and animals have life cycles that include being born, developing into adults, reproducing, and eventually dying.
