

Shhh...

This book is for a secret group.
A group of kids who
are in the loop.

These
kids know
something
that others don't.
They know a secret
that some won't.

This secret is as old as it can be.
It has been around since the date was B.C.

It's a secret
you can
search for...

FAR
and
wide.

But, this secret is really found **inside.**

You won't find it...

under your chair

...or beneath your bed.

This secret
is located
in your
heart
and your
head.

What Makes You Beautiful On the Inside?

Directions: Look at you! Cut out the words that describe what makes you a beautiful person on the inside and paste them to the mirror.

CHALLENGE

Find two others and tell them why you chose these words for your mirror.
